CERTIFICATE No CAF 170
TAYCO BUILDING PRODUCTS LIMITED

1. This approval relates to the manufacture of door frames for use with specified CERTIFIRE approved fire doors. Subject to the undermentioned conditions, the doors when fitted in the frame and with hardware and seals specified in the door leaf certificate are designed to meet the requirements as detailed in the relevant certificates.
2. This certification is designed to demonstrate compliance of the product or system specifically with Approved Document B (England and Wales), Section D of the Technical Standards (Scotland), Technical Booklet E (N. Ireland). If compliance is required to other regulatory or guidance documents there may be additional considerations or conflict to be taken into account.'
3. All frames shall be manufactured in accordance with the frame specification as defined in the door data sheet having regard to the maximum sizes and configurations permitted under the door certification.
4. Processing is conducted in accordance with Tayco Building Products Limited procedures.
5. The process is approved on the basis of production surveillance under ISO 9001: 2000.
6. The approval relates to on-going production.
7. Approved frames carry a label identified with Tayco Building Products Limited's name and contact number, the CERTIFIRE name, or name and mark, together with the CERTIFIRE certificate number and a unique serial number.
8. Frames are additionally identified with the door reference from the contract door schedule in order that the frame may be matched with the door for which it has been designed.
